INDEPENDENT AUDITORS' REPORT

To the Directors of Economic Development Winnipeg Inc.

Opinion

We have audited the financial statements of Economic Development Winnipeg Inc. (the Entity), which comprise the statement of financial position as at December 31, 2018 and the statements of revenue and expenditures, changes in net assets and cash flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies (hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Entity as at December 31, 2018, and its financial performance and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "***Auditors' Responsibilities for the Audit of the Financial Statements***" section of our auditors' report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are/is free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represents the underlying transactions and events in a manner that achieves fair presentation.

- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

ECONOMIC DEVELOPMENT WINNIPEG INC.

Notes to Financial Statements

Year ended December 31, 2018

1. General:

Economic Development Winnipeg Inc. (EDW or the Organization) is the City of Winnipeg's lead Organization for economic development and tourism development. EDW is an arm's length Organization led by an independent private sector Board of Directors appointed by the members. The City of Winnipeg and the Province of Manitoba are the members and provide core funding to the Organization.

EDW facilitates investment promotion and attraction, capacity building, marketing and the management of market information. EDW leads global investment attraction, and local business retention and expansion, with its Yes! Winnipeg sales team. EDW is also responsible for the City's tourism development activities, which it orchestrates through its Tourism Winnipeg team. Tourism Winnipeg's mission is to facilitate a healthy, prosperous, responsible and fully integrated tourism industry that enhances Winnipeg's economic growth.

2. Significant accounting policies:

The financial statements have been prepared by management in accordance with Canadian public sector accounting standards including the 4200 standards for government not-for-profit organizations and include the following significant accounting policies:

(a) Revenue recognition:

The Organization follows the deferral method of accounting for contributions. Externally restricted contributions are recognized as revenue in the period in which the related expenses are incurred.

Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Contributions restricted for the purchase of capital assets are deferred and amortized into revenue on a straight-line basis at a rate corresponding with the amortization rate for the related capital assets.

2. Significant accounting policies (continued):

(b) Financial instruments:

Financial instruments are recorded at fair value on initial recognition. All financial instruments are subsequently recorded at cost or amortized cost unless management has elected to carry the instruments at fair value. Management has elected to record all investments at fair value as they are managed and evaluated on a fair value basis.

Unrealized changes in fair value are recognized in the statement of re-measurement gains and losses until they are realized when they are transferred to the Statement of Revenue and Expenditures.

The Organization did not incur any re-measurement gains and losses during the year ended December 31, 2018 (2017 - nil) and therefore a statement of re-measurement gains and losses is not required to be included in these financial statements.

All financial assets, excluding investments, are assessed for impairment on an annual basis. When a decline is determined to be other than temporary, the amount of the loss is reported in the Statement of Revenue and Expenditures and any unrealized gain is adjusted through the statement of re-measurement gains and losses.

When the asset is sold, the unrealized gains and losses previously recognized in the statement of re-measurement gains and losses are reversed and recognized in the Statement of Revenue and Expenditures.

All financial instruments recognized at fair value are classified using a fair value hierarchy, which includes three levels of information that may be used to measure fair value:

- Level 1 - Unadjusted quoted market prices in active markets for identical assets or liabilities;
- Level 2 - Observable or corroborated inputs, other than level 1, such as quoted prices for similar assets or liabilities in inactive markets or market data for substantially the full term of the assets or liabilities; and
- Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets and liabilities.

ECONOMIC DEVELOPMENT WINNIPEG INC.

Notes to Financial Statements (continued)

Year ended December 31, 2018

2. Significant accounting policies (continued):

(c) Capital assets:

Capital assets are recorded at cost. Amortization is calculated on a straight-line basis to amortize the cost of the assets less their residual values over their estimated useful lives as follows:

Asset	Rate
Computer hardware and software	2 - 3 years
Office furniture and fixtures	5 years
Leasehold improvements	over the term of the related lease

(d) Deferred rent:

As part of the Organization's operating premises lease, a period of free rent was incurred and is being amortized over the term of the related lease. This lease also has escalating rents which are expensed on a straight-line basis over the period of the lease.

(e) Deferred lease inducement:

The Organization leases its office space. Landlord inducements are deferred and amortized as reductions to rent expense on a straight-line basis over the same period.

(f) Income taxes:

The Organization is a not-for-profit organization under the *Income Tax Act* and, accordingly, is exempt from income taxes, providing certain requirements of the *Income Tax Act* are met.

(g) Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates.

ECONOMIC DEVELOPMENT WINNIPEG INC.

Notes to Financial Statements (continued)

Investments consist of investments in money market instruments aggregating \$575,886 (2017 - \$567,872) and guaranteed investment certificates aggregating \$2,110,000 (2017 - \$110,550). The fair value of money market instruments and guaranteed investment certificates have been determined using Level 1 and Level 2, respectively, of the fair value hierarchy.
